Topic/Subject: REVIEW OF VIDEO FROM 157 MORGAN AVENUE							
Summary of Investigation: 1. On December 18, 2011, at approximately 0630 hour, the undersigned did review the video retrieved from 157 Morgan Avenue. This video has revealed the following about this collision. 2. While traveling north bound on Morgan Avenue, Vehicle #1 is seen approaching the intersection of Messerole Street. Vehicle #1 then stops at the red traffic signal just prior to Messerole Street one vehicle back from the south cross walk. As the traffic signal turns to green, the operator of Vehicle #1 begins to proceed into the intersection of Messerole Street. At this time the pedestrian/bicyclist begins to overtake vehicle #1 on the right side at Messerole Street. With no apparent turn signal engaged, Vehicle #1 begins to make a right turn onto Messerole Street. The bicyclist/pedestrian was struck by the passenger right side of Vehicle #1. The pedestrian was ejected from the bicycle and thrown into the roadway and out of view on the video. The pedestrian was run over by vehicle #1's driverside tire and the bicycle was caught in the undercarriage of vehicle #1 before coming dislodged on Messerole Street.
